

## Society Participates in James Madison's Birthplace Bazaar May 12 2018

Society members Charles Belfield, Hugh Markham and Mike Lyman set up vendor displays in the huge yard of James Madison's birthplace home located in Fort Conway on the Rappahannock River in King George County. The bazaar, sponsored by the James Madison Belle Grove Plantation, consisted of over 50 vendors and ran from 10 am to 3 pm on May 12 2018. The main portion of the society display was Belfield's mobile display van where he shows and narrates displays of the main battles in the Northern Neck counties and in Fairfax County. Mike Lyman brought and displayed many War of 1812 publications. Also he brought a War of 1812 era cavalry sabre, a stirrup and a pre-civil war musket. Shown below is a photo taken of James Madison's birthplace home called Belle Grove where the event took place.

Below is a view of the society display with a visitor inside the van.
