

**PRESIDENT TYLER'S BIRTHDAY WILL BE OBSERVED BY SOCIETY ON
MARCH 29, 2022, AT HOLLYWOOD CEMETERY, RICHMOND,
VIRGINIA**

The Society of the War of 1812 in the Commonwealth of Virginia will participate in the annual birthday observance of President Tyler's birthday at his burial location in Hollywood Cemetery, Richmond, Virginia, at 11:00 a.m. A representative from the U.S. Army, usually a general officer from Fort Lee, will lay a wreath and deliver a talk about President Tyler. The Army band will also add to the festivities. Following the Army's event, President Walden will deliver the Society's presentation. He wishes that all who can be at this ceremony please do so; those in uniform are particularly urged to participate. The Army's presence at this event has been canceled for the past two years because of the virus. The return of this event is much appreciated.
